**MONDAY 26th September**

### Grand 4

**Symposium - Impact of Interventions**

- **Psychosocial and Psychological Interventions for Treating Postpartum Depression: An Updated Cochrane Systematic Review**
  - Professor Cindy-Lee Dennis
  - Dr. Jane Morell
  - 241

### Grand 3

**Symposium - Lessons from the Australian Perinatal Depression Initiative (NPDI) and Current Directions**

- The Australian Perinatal Depression Initiative (NPDI): a policy evaluation - brief project overview
  - Professor Marie-Paule Austin
  - 85
- What was the NPDI funded to achieve and how was it to be evaluated: ideal vs. reality
  - Dr. Nicole Higget
  - 229
- Patterns of obstetric, psychiatric and other inpatient service utilization among women giving birth in Australia
  - Taryn Major
  - 100
- Hospital costs associated with perinatal mental health diagnoses for Australian women
  - Dr. Mary Lou Chatterton
  - 121
- What has been the impact of the National Perinatal Australia’s first mental health and wellbeing campaign for new fathers: Planning, implementation and progress of the Healthy Dads project
  - Dr. Luke Martin
  - 96
- The influence of paternal depression on their children’s emotion regulation
  - Dr. Selina Nash
  - 182
- Fathers’ Perinatal Mental Health: An Important and Neglected Topic
  - Holly Rominov
  - 37
- Can a Co-Parenting Support Program for Young Expectant Couples Improve Fathers’ Adjustment To Parenthood?
  - Dr. Paul Florsheim
  - 147
- Factors Associated with Poor Father-to-infant Attachment at 6 Months Postpartum: A Community Study in Victoria, Australia
  - Dr. Karen Wynter
  - 45
- The course of depressive symptoms in Swedish fathers during the first postnatal

### Grand 5 & 6

**Invited Speaker and Symposium**

- Professor Louise Howard
- Lithium and other medication in bipolar disorder during pregnancy and the postpartum period
  - Dr. Richard Wesseloo
- Treating depression in pregnancy: focus on child outcomes
  - Professor Megan Gaibally
- Psychopharmacology and Pregnancy: methodological issues in research
  - Adrienne Einaron
- Benefits of psychotropic medication in the perinatal period: what is the evidence?
  - Professor Louise Howard
- Psychotropics and pregnancy: making sense of the data
  - Professor Ian Jones
- Lithium and other medication in bipolar disorder during pregnancy and the postpartum period
  - Dr. Richard Wesseloo
- Treating depression in pregnancy: focus on child outcomes
  - Professor Megan Gaibally
- Psychopharmacology and Pregnancy: methodological issues in research
  - Adrienne Einaron
prevent postnatal depression: HTA systematic review, evidence synthesis and meta-analysis
Dr Jane Morrell [361]

Listening Visits
Delivered by U.S. Point-of-Care Providers: Sustainability of Treatment Gains
Professor Lisa Segre [21]

Effects and consequences for mother and child from treatment for depression. A randomized controlled trial with internet-based cognitive behaviour therapy and sertraline or placebo
Dr Ewa Andersson [133]

Internet-based depression treatment for adolescent mothers
Dr Cynthia Logsdon [38]

Does exercise or physical activity intervention improve postnatal depression and weight loss? A systematic review
Maryam Saligheh [268]

Severe Mental Illness and the Risk of Child Abuse Perpetration
Associate Professor Susan Hatters Friedman [289]

Dr Pamela Massoudi [306]
Attachment and coparenting mental representations in fathers during the transition to parenthood
Professor Ba’ibara Figueiredo [340]

Associations between unsettled infant behaviour, paternal depressive symptoms and anger: a community cohort study
Dr Fallon Cook [251]
pharmacologically - induced (GnRHa) depressive symptoms and SERT variability
Dr Divya Mehta (67)

Biological Underpinnings of Postpartum Psychosis and Postpartum Depression
Dr Harish Thippeswamy (272)

Lower Allopregnanolone in Pregnancy Predicts Postpartum Depression
Dr Lauren Osborne (214)

Contributions of genetic risk, social support, and adverse life events with postpartum depression
Dr Jerry Guinlivan (247)

Nine Glanceoud Freudenthal (32)

An evaluation of interventions provided for women with acute severe perinatal mental disorders in England
Professor Louise Howard (230)

Development of a Scale to Rate Maternal behaviour among mothers with Postpartum Psychosis in Mother Baby units
Professor Prabha Chandra (262)

Results from the Bordeaux's MBU database: Risk factors for maternal mixed states and request of placement of the baby at discharge
Dr Anne-Laure Sutter-Dalley (93)

Women & Infants Hospital MBU: USA Model of Care
Dr Margaret Howard (244)

Quality improvement in perinatal mental health services in the UK - establishing a national network
Dr Roch Cantwell (160)

and acceptability study in an Australian residential early parenting centre
Dr Heather Rowe (48)

MIND2CARE, an innovative screen-and-advice model for psychopathology, psychosocial problems and substance use, during pregnancy
Dr K. Marieke Paarlberg (59)

WAWA - "What Am I Worried About": Adapting an Australian intervention for new mothers residing in the community with symptoms of anxiety and depression
Meital Simhi (385)

Combined with themed abstracts

Prevention of postpartum common mental disorders among primaparous women

A new way of thinking about prevention of postnatal common mental disorders among primaparous women: evidence from a cRCT of a gender-informed psychoeducational program for couples
Professor Jane Fisher (47)

Participating in What Were We Thinking and Perinatal Common Mental Disorders: Assessing Mechanisms for Change
Dr Karen Wynter (97)

Implementing WWWT into standard postnatal care: a translational formative evaluation
Dr Heather Rowe (39)

frontier of perinatal and infant mental health,
Dr Adaobi Udechuku (351)

Building organisational capacity to manage perinatal mental health disorders in an early parenting support service.
Melanie Marsh (191)

Gidget House: an original and unique model for the provision of outpatient psychological care
Catherine Knox (296)

Perinatal and Infant Mental Health Collaborative Day Program: a research project
Dr Catherine Rawlinson (27)

Improving maternal outcomes by admitting antenatal women to a Mother and Baby Unit - case presentation
Gillian Ennis (237)

The Precursor of the Mirror. Attachment, Bonding and a Mother on the Autism Spectrum
Dr Angela Livingstone (52)

Translational Action-Research in the Development of a Childbirth and Mental Illness Service
Jenny O'Callaghan/Felice Watt (250)

Enabling Breastfeeding in the Presence of Maternal Mental Health Difficulties: A Perinatal Psychiatrist and GP Lactation Consultant Working Together to Optimise Care
Dr Marnie Rowan (290)

Perinatal Mental Health in Greece: The case of a primary care center supporting pregnant women, new mothers and their families
Dr Maria Daglas (280)

Enhancing service engagement through early antenatal screening and referral for at risk families
Naomi Guiver (327)

Community health workers in integrated mental health care for perinatal depression in Surabaya, Indonesia
Endang Surjaningrum (328)

Lithium and breastfeeding women: new approach at the Royal Women's Hospital, Melbourne
Dr Lisa Amir (392)

"I call it emotional turmoil rather than depression": A meta-synthesis of qualitative studies on general innovative educational tool
Dr Louise Page (276)

14:55-15:35
Arts and Minds-working with creative partners to develop training and education tools
Dr Jo Black (212)

15:35-15:45
'I'm not right': Students' evaluation of the film 'Beyond Baby Blue' as an educational resource
Dr Sarah Church (356)

**Invited Speaker and WAIMH Symposium**

Reflect to Connect: parental reflective capacity as a target of parent-infant work
Invited speaker: **Diane Reynolds**

Sponsored by NBO, The Royal Women's Hospital, Melbourne

**Chair:** Professor Campbell Paul

**Symposium**

Identifying Prenatal Programming in the Prenatal Period
- **Dr Catherine Monk** (336)

Microbiota of meconium in newborns is associated with pregnancy specific anxiety mothers experienced during pregnancy
- **Professor Yoko Nomura** (286)

The Importance of Intrauterine Environment in Shaping the Neonatal Genome
- **Associate Professor Jeffrey Craig** (310)

Double trouble: impact of maternal obesity and perinatal mood on offspring neurodevelopment
- **Professor Rebecca Reynolds** (399)

**WAIMH Symposium**

Intervening with the Troubled Early Infant-Parent Relationship through Supporting the Development of Reflective Capacity and Emotional Regulation

When food is not enough: nonorganic feeding disorders in infants of mothers experiencing serious mental illness
- **Dr Meredith Banks**

The ample intervention for adolescent parents
- **Dr Susan Nicolson**

Parenting with feeling - attachment and interactional group intervention for parents with early trauma
- **Professor Louise Newman**

**Chair:** Professor Vivette Glover

**Symposium**

Supporting fathers’ mental health
- **Chair: Dr Francine de Montigny and Associate Professor Richard Fletcher**

Nordic Marcé symposium: Results from unique Nordic data sources on birth experiences, treatments, and risks
- **Chair: Dr Signe Darheim**

**Chairs:** Dr Francine de Montigny and Associate Professor Richard Fletcher

**Chair:** Dr Anne Sved Williams

**Overall summary**
- **Dr Signe Darheim** (219)

**Antidepressant use during pregnancy and psychiatric disorders in the offspring**
- **Dr Xiaojin Liu** (224)

Fear of childbirth and preference for or actual delivery by elective cesarean section: A population based study
- **Dr Susan Garthus-Niegel** (226)

Fear of birth during pregnancy - A randomized controlled trial comparing treatment with internet-based cognitive behavioral therapy and counseling by midwives
- **Dr Christine Rubertsson** (227)

**Regional Research Themed Abstracts**

Changes in fear of birth during pregnancy - a randomized controlled trial comparing internet-based cognitive behavioral therapy with standard care
- **Helen Haines, Australia** (73)

Preschool children born to women with intellectual disability have a higher risk to mortality
- **Berit Höglund, Sweden** (61)

Impact of postpartum women’s use of psychotropic medicines on
- **Rushan Basha, Australia** (387)

**Combined with themed abstracts**

Psychiatric problems and concerns among husbands of women admitted to a Mother - Baby Psychiatry Unit and the effectiveness of a single group intervention
- **Dr Geetha Desai** (362)

Adapting behaviour change paradigms for delivering support to new fathers via mobile phones
- **Associate Professor Richard Fletcher** (89)

Fathers’ depression and paternal adjustment and paternal attitudes during the transition to parenthood

**Regional Research Themed Abstracts**

Changes in fear of birth during pregnancy - a randomized controlled trial comparing internet-based cognitive behavioral therapy with standard care
- **Helen Haines, Australia** (73)

Preschool children born to women with intellectual disability have a higher risk to mortality
- **Berit Höglund, Sweden** (61)

Impact of postpartum women’s use of psychotropic medicines on
- **Rushan Basha, Australia** (387)

Part 2. Epigenetic and Biological Influences on Perinatal Maternal Functioning and Attachment

News Flash: Results from a Phase 2 trial of SAGE-547 in severe postpartum depression
**Dr Samantha Meltzer-Brody** (400)

Attachment development in the ATP Generation 3 Study: Epigenetic and biological perspectives
**Professor Craig Olsson and Dr Joanne Ryan** (396)

Fetal heart rate variability mediates the effect of prenatal depression on neonatal neurobehavioral maturity
**Professor Barbara Figueredo** (240)

Examining the association between postpartum depression, pain sensitivity, and hormone function in a birth cohort of Latinas with and without a history of trauma
**Dr Sandra Luz Lara-Clinisoma** (75 & 153)

Adapting to the Changing Mental Health System While Keeping Families in Mind
**Professor Anne Buist** (386)

Helen Mayo House, South Australia’s hub for perinatal mental health
**Dr Anne Sved Williams** (387)

Mercy Mental Health Mother Baby Unit, a culturally diverse catchment
**Jess Barnes** (388)

Parent Infant Inpatient Unit
**Dr Celeste Hoopmann** (389)

Inpatient perinatal mental health in Western Australia: 2007-2016
**Dr Felice Watt** (390)

New frontiers in perinatal mental health inpatient care
**Donna Kristianopulos** (391)

"To hold" and "To be held": clinicians perceptions and experiences of working in a specialist perinatal and infant mental health service
**Dr Karen Myers** (131)

The Western Australian Perinatal and Infant Mental Health Model of Care: from creation to implementation
**Leanda Verrier** (157)

Discussion time

and Edinburgh postnatal depression scale against a diagnostic assessment in identifying depression in pregnancy
**Dr Elizabeth Ryan** (132)

Migration and perinatal mental disorders: A systematic review & meta-analysis, and findings from the WENDY study
**Fraser Anderson** (142)

A qualitative study of women’s views and experiences of depression screening in pregnancy
**Dr Kylie Trevillian** (143)

Combined with themed abstracts

The City Mental Illness Stigma Scale: development of a scale to measure stigma of perinatal mental illness
**Donna Moore** (363)

Assessing Obsessive Compulsive Personality Disorder (OCPD) symptoms during pregnancy
**Kiki Van Broekhoven** (130)

Does the Edinburgh Postnatal Depression Scale Measure the Same Constructs Across Time?
**Nadia Cunningham** (359)

Screening for perinatal anxiety disorders: an implementation trial
**Susanne Somerville** (127)

Screening for perinatal depression: when and how often?
**Victor Pop** (129)

Prevalence and determinants of persistent depressive symptoms during pregnancy
**Sophia Truijens** (128)

How do we know who to support? An antenatal eligibility screening tool for a home visiting service
**Dr Charlene Smith** (152)

Maternal depressive symptoms during pregnancy and after pregnancy and psychiatric problems in their children
**Professor Katri Raikkonen** (183)

Effects of maternal perinatal mood variation and coping stability on the infants
**Dr Rita Amiel Castro** (94)

Antenatal Depression and Stress: A Randomized Controlled Study
**Simone Setterberg** (74)

Maternal depression related to prenatal work stress and its consequences regarding birth outcome
**Julia Hunold** (140)

Combined with themed abstracts

The impact of postpartum PTSD on child development: a population-based, two-year follow-up study
**Dr Susan Garthus-Niegel** (54)

Reproductive pathology and perinatal outcomes for infants of women with schizophrenia and other psychotic disorders: a population study
**Taryn Major** (99)

The Triple B Pregnancy Cohort Study: Alcohol use during pregnancy and developmental outcomes in infants at 12-months of age
**Dr Clare McCormack** (354)

the perinatal period
**Dr Catherine Chojenta** (344)

Perinatal negative thoughts and their association with psychological distress: A theoretical overview
**Jaime Wroe** (377)

Comparing changes in physical functioning, mental health functioning and depression ante-natally and post-natally in first-time mothers
**Primrose White** (72)

"Identification Reformulation " - Now Let’s Start Addressing Perinatal Anxiety and Depression in Pregnancy
**Mark Huthwaite** (112)

Mifrazapine in Severe Nausea and Vomiting in Pregnancy
**Adrienne Einarson** (301)

Maternal Comprehensive Health and Addiction Program (MCHAT): Maintenance therapy with Buprenorphine vs. Methadone in the Pregnant woman
**Dr Lucy Bayer-Zwirrello** (117)

The effects of a Creative-Arts Therapies ante-natal program for first-time mothers on levels of depression and anxiety and coping in the peri-natal period
**Primrose White** (70)

Collaborating to Increase Education and Awareness About Perinatal Mood and Anxiety Disorders
**Tara Peaty** (196)

Out of the clinic and onto the dance floor: ‘Club Bump' - a community-based lifestyle intervention to improve maternal health and wellbeing
**Dr Lesley Smith** (41)

Parents’ mobile screen use while in the company of infants and young children: an exploratory qualitative study
19:00 for 19:30 start  
SURPRISE GALA DINNER  
Speaker: Georgie Harman, CEO beyondblue  
Expect great conversation, company and a few surprises!  
Dress: Cocktail (wear the colours of your country or just sit back and enjoy the festivities)  
Pre-ordered tickets required for Gala Dinner. Grand 5 & 6  
Sponsored by beyondblue

WEDNESDAY 28th September

07:30-08:45  
Gidget Breakfast Session  
Presentation by Dr Vijay Roach - From Illness to Wellness; shifting the paradigm in perinatal mental health care  
Grand 1 & 3  
Seats are limited  
Sponsored by Gidget Foundation

08:00-09:00  
Registrations Open

09:00-09:30  
Introduction to Channi Kumar Lecture  
Plenary - Channi Kumar Lecture  
Indigenous Perinatal Mental Health – Reflections on Culturally Secure Practice  
Professor Rhonda Marriott  
Chair: Professor Jeannette Milgrom  
Grand 5 & 6

09:30-10:00  
Introduction and presentation of Marcé Medal by the President, International Marcé Society, Professor Jeannette Milgrom  
Plenary - Marcé Medal  
The history of the Marcé Society- a fascinating journey  
Dr Nine Glangeaud-Freudenthal  
Grand 5 & 6

10:00-10:30  
COFFEE BREAK

10:30-12:00  
Invited Speaker and Symposium  
Translating Neuroimaging into Clinical Care  
Grand 5 & 6  
Grand 3  
Grand 1  
Grand 2  
Workshops  
Engaging Fathers & Couples  
Chair: Dr Jeffrey Meyer  
Chair: Dr Angela Bowen  
Chair: Dr Anne-Laure Sutter-Dailly  
Chair: Dr Julia Feutrill and Livia Martucci  
Chair: Dr Nick Kowalenko

Translating Monoamine Oxidase A Imaging into a New Dietary Supplement to Reduce Severity of Postpartum Blues  
Dr Jeffrey Meyer

The Effects of Prenatal Maternal Stress and Smoking on Fetal Behaviour  
Dr Nadja Reissland

What can neuroimaging tell us about preterm brain development?  
Dr Deanne Thompson

World Maternal Mental Health Day  
Dr Angela Bowen and Dr Alfonso Gil-Sanchez (383)

Something to Worry About! Lived Experiences of Perinatal Anxiety: Emerging Themes and Preliminary Findings  
Zalia Powell (323)

Maternal role or a mother-infant relationship?  
Dr Joan Garvan (250)

Characteristics of callers to PANDA Perinatal Anxiety & Depression Australia  
Postnatal depression in the ELFE cohort: issues from a multifactorial model  
Dr Anne-Laure Sutter-Dailly (265)

Maternal depression and anxiety, parent-infant interaction and infant socio-emotional development following very preterm birth  
Dr Carmen Pace (80)

Preconception common mental disorder and maternal-infant bonding problems: A prospective cohort  
Co-ordinating care for vulnerable families across time, disciplines and sectors in line with the Western Australian Perinatal and Infant Mental Health Model of Care - A private practice case study  
Dr Julia Feutrill (318)

Engagement and Individualised Care: The Role of the General Practitioner, Lactation Consultant in a Perinatal and Infant Mental Health Service  
Drs Marnie Rowan (293)

10:30-11:20  
The Young Parenthood Program: Interpersonal Skill Building for Young Expectant Mothers and Fathers  
Dr Paul Florshile (136)

11:20-11:40  
Looking to the Future: how much easier treating perinatal depression when father makes three  
Dr Nick Kowalenko (271)

11:40-12:00  
Dads Who Can  
Timothy O'Leary (184)
| 12:00-13:00 | LUNCH | POSTERS AND POSTER PRIZE IN LOBBY | Conference Foyer |
